Product Discontinuation Announcement

September 15, 2020

Crimp Kit Part #s: C261E09351, C265E09351, C265E09352, C270E09450, C270E09500, C270E09650, C270E09750, C270E15460, C270E15510, C270E15660, C270E15760, C270E25170, C270E25470, C270E25520, C270E25670, C270E25770, C271E09351, C271E09450, C271E09500, C271E09650, C271E09750, C271E15460, C271E15510, C271E15660, C271E15760, C271E25370, C271E25470, C271E25520, C271E25670, C271E25770

Due to the lack of certain parts to produce these products the above part numbers are being discontinued.

Contacts used in these products have been discontinued and can no longer be manufactured. Re-tooling is not viable based on current production volumes.

We have a limited supply of contacts and once the inventory is depleted, we can no longer produce these kits.

Products will only be offered until inventories are depleted.

For more information contact: sales@northerntech.com

For unrelated inventory information please contact: compliance@northerntech.com
