

Lanpar Technologies / Northern Technologies

Product Discontinuation Update Announcement

June 05, 2018

Update to notice issued April 20, 2018

15 Position over-mold can Part #: A30E801500

Due to declining sales and increased challenges in maintaining product conformance, this product is now being discontinued.

The cost of maintaining this product has increased to the point where it can no longer be sustained. Molds are mature and re-tooling is not viable based on current production volume.

A30E801500 will only be offered until inventories are depleted.

Discontinued Product Part Number

15 Position Part Number: A30E801500

Available Functional Equivalent Product Part Number

15 Position Part Number Type 2: A30E801501

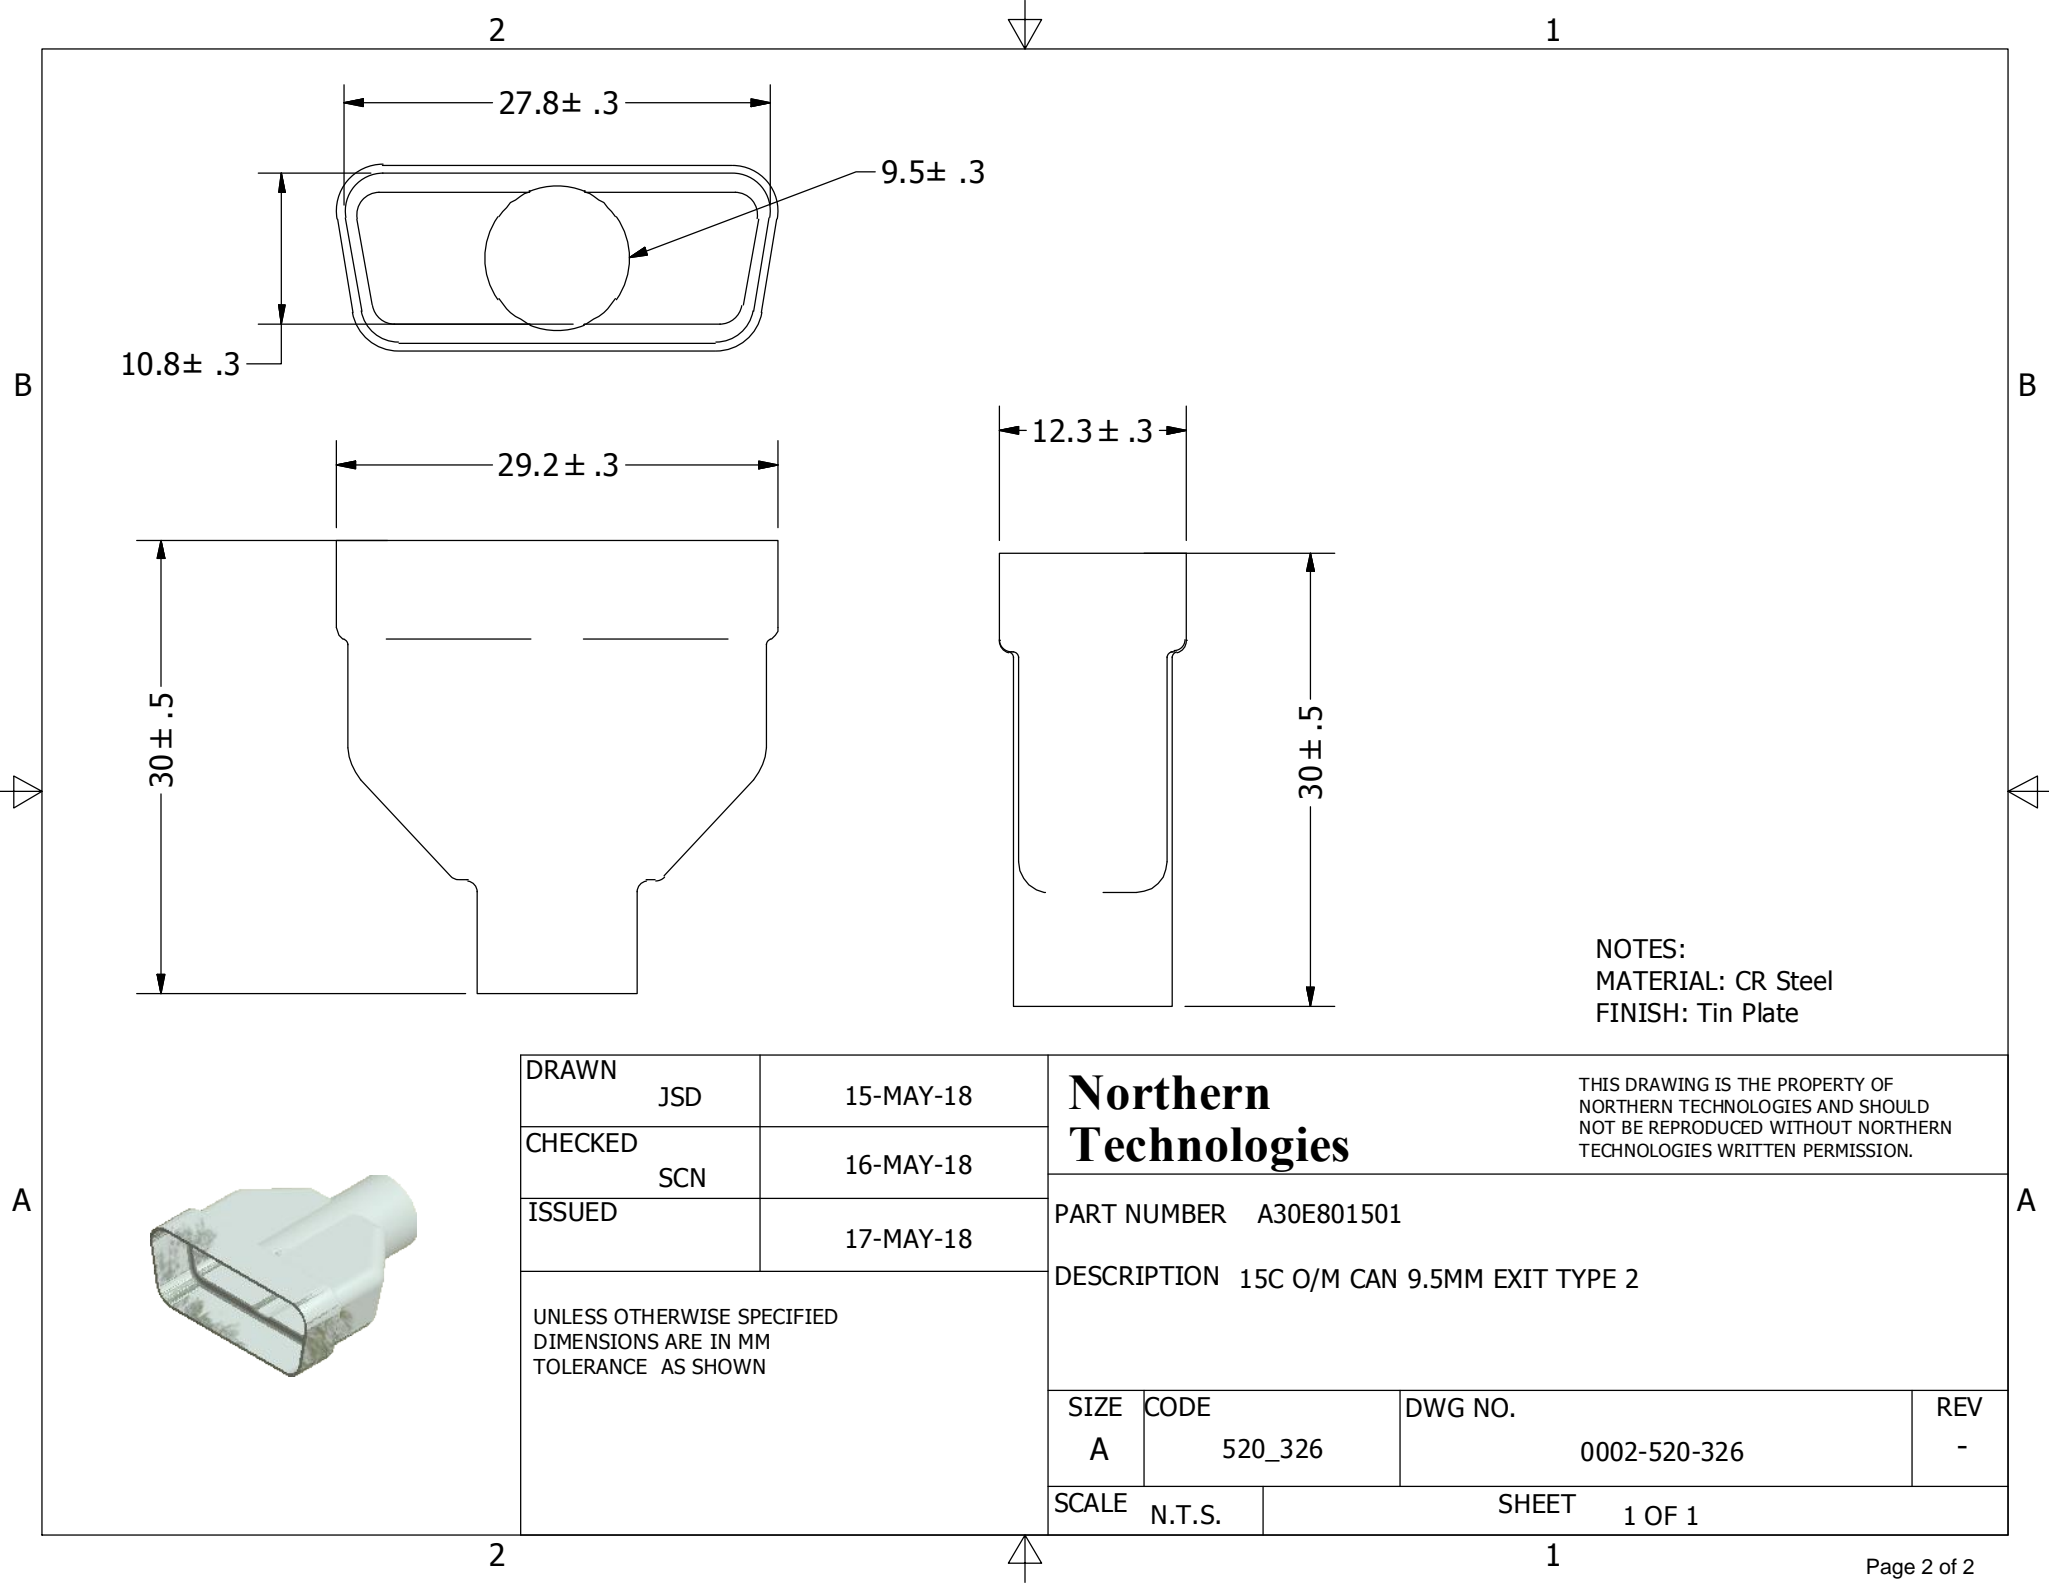

Note: This is not a direct replacement.

There are a few slight dimensional changes.
