## Product Discontinuation Announcement

September 02, 2013

Due to declining sales and increasing challenges in maintaining product conformance, certain product part numbers are now discontinued.

The cost of maintaining these products have increased to the point where they can no longer be sustained.

We do however offer the same products in a nickel finish, which, other than finish, are identical in form, fit and function.

### **Discontinued Product Part Numbers**

C95E200000, C95E210000, C95E220000, C95E230000, C95E240000,  
A95E200000, A95E210000, A95E220000, A95E230000, A95E240000.

### **Replacement Product Part Numbers**

N95E200000, N95E210000, N95E220000, N95E230000, N95E240000,  
NA95E200000, NA95E210000, NA95E220000, NA95E230000, NA95E240000.
